

The Creditsafe logo is positioned in the top left corner. It features the word "creditsafe" in a lowercase, sans-serif font, with a red swoosh element above the letter "e".

creditsafe

The background of the advertisement is a photograph of a man in a light blue shirt and dark trousers standing by a large window. He is holding a mobile phone to his ear and looking out at a cityscape. The window is divided into several panes by dark frames. A dark blue horizontal bar is overlaid on the left side of the image, containing the text.

Frequently asked questions

How often is the company data updated?

Creditsafe's data is refreshed daily from thousands of sources to ensure the information you receive is accurate and up-to-date.

Do you have a list of all the criteria available to refine my lead list?

Yes, this is available on request from your Creditsafe representative.

Can existing customers or selected businesses be excluded?

Yes, you can upload a list of exclusions. These can be applied individually to each lead list. We will match using Creditsafe's unique matching patterns and provide a list of successful exclusions.

Is there a minimum and maximum number of records that can be downloaded?

There is no minimum number of records that can be downloaded. The maximum number of company records to be downloaded at one time is 50,000. As the data is up-to-date at the time of order, we recommend downloading the data incrementally at a size that is suitable for your organisation.

In what formats can the data be downloaded?

Once a prospect list is determined, it can be downloaded in .csv or .xlsx format. Each time a prospect list is downloaded, the information will be up-to-date as of the time of the initial order.

Frequently asked questions

Can I use my prospect data list more than once?

Yes. Once downloaded, you can use the data for the length of your contract. However, if you intend to use the data for long periods of time, we recommend that you access the most up-to-date information by clicking on the Company Report from within the Prospects order, or by searching for the company within the Creditsafe Company Report search.

Please note that your order will expire after 3 months. After this time, you can no longer download the data from your Prospects dashboard. The expiry date is displayed on each order within the Prospects dashboard.

Where is the data sourced from?

Creditsafe data is sourced from thousands of trusted and official sources. We work in close partnership with local registries, agents and other trusted providers in each country to ensure the legitimacy and accuracy of our data.

Does the Prospect data include Telephone Preference Service or Marketing Permitted flags?

Yes, where available you can refine your search criteria based on whether they allow marketing. This information is available for the UK, Ireland, the Netherlands and Sweden
